

How To Make A ZINE PAGE

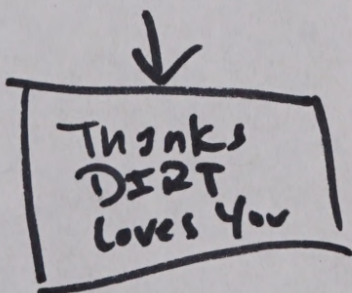

Cut 8"x11" white paper in half

Draw border around half-page, about $\frac{1}{4}$ - $\frac{1}{2}$ in. so edges don't get cut off in photocopying

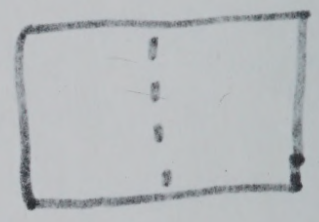

GO CRAZY inside yr border! Drawings, ratings, reviews, if it's about music then DIRT digs it! Drop it in the box on the shelf under all the records when yer done

How to Make A ZINE

PAGE

Cut 8"x11" white paper in half

20 pages don't get cut off in photographing
 1/4" border around half-page, about 1/4" is in.

under all the records when you done
 clip it! Drop it in the box on the shelf
 counters, reviews, if it's about music then FIRST
 GO CRAZY inside the border! Drawings!
